RECORD NOTES

Two known inaccuracies in D&B's structured record as of the resolution date, non-blocking for store enrollment (Apple/Google key on legal name + D-U-N-S + enrollment authority): (1) "Legal Form: Corporation" - the entity is a Limited Liability Company, as D&B's own resolution comment and the NY Secretary of State record correctly state; (2) "Start Year: 2026" - the entity was registered July 24, 2025. Correct via D&B support only if an enrollment process objects.

Intended use: organization enrollment in the Apple Developer Program and Google Play Console under Lantern Digital LLC (deferred to Phase B by owner decision; runbook: Documents/Infrastructure/INF_01_Backend_Architecture.md, section 4.2a).
